Commander Jim Bassett

In this time of global uncertainty, we resolutely stand with the VFW in honoring and remembering the those paid the ultimate sacrifice and supporting our comrades in arms. The Commander in Chief, Fritz Mihelcic, has put out a message.

A VFW Message to Veterans in the Wake of Recent Events in Afghanistan

The following is a message from VFW National Commander Fritz Mihelcic

With the recent turn of events in Afghanistan, the Veterans of Foreign Wars (VFW) wants the veterans of the war in Afghanistan to know we stand with you. Scores of VFW members know the anger, frustration, and sadness you are experiencing after hearing the troubling reports and seeing the disturbing images coming from lands where we sacrificed so much. From the fall of Saigon in Vietnam, to the withdraw from Somalia after the battle of Mogadishu, to the ISIS take-over of Fallujah, Ramadi, Mosul, and Tikrit, far too many of us have experienced the heavy burden of loss, disappointment, and helplessness our newest generations of veterans may be feeling watching the Taliban return to power.

However, while there is bitter sentiment over this withdrawal, we encourage you to hold your head high. Because of your vigilance, hard work, and selfless sacrifice, you dealt a tremendous blow to Al-Qaeda, taking out its leader Osama Bin Laden, and disrupting its ability to plan and execute another major attack on American soil since September 11, 2001. You who served in Afghanistan with honor, valor, and distinction, our nation owes you a tremendous debt of gratitude for the past twenty years of relative safety and security. Your service was not in vain.

While we continue to watch events unfold in Afghanistan, we remind our brothers and sisters that we are beside you, arm-in-arm, ready to support you. You are not alone.

Please know that through the Department of Veterans Affairs, the VFW, and other non-profit organizations, there are people you or a battle buddy can talk to and resources available to help cope with the stress of the situation.

***** IMPORTANT *****

During these times we need to aware of our surroundings and pay close attention to our fellow members. Reach out and talk to them, let them know we are there for them. Contact the members that have not been with us for a while, check on them. Make sure everyone is ok. Buddy Checks. We all know the feeling and the process.

For some of you this may be the first time to hear this, for others, you may have found out recently. The Department of Oklahoma just went through an investigation/audit concerning recruiting practices. Emails are going out to posts to confirm membership numbers from last year. Please answer truthfully.

Senior Vice Commander Jeremy Owen

Comrades, first and foremost, I hope this message finds you well. If not, I pray for a speedy recovery and healing. I myself am recovering from COVID. Just make sure to take it easy and rest up! This year has already hit us with challenges, but nothing we as TEAM OKLAHOMA cant take care of! I want to reiterate Commander Bassett's comments and let the whole membership of the Department of Oklahoma know that our state officers are here to support and assist all members, don't be afraid to ask us questions or voice your concerns. Without you we are nothing! As most already know, Stacy Reddig resigned from the office of State Junior Vice Commander due to his health, this means that there is a vacancy at Department that must be filled. Remember that as a member in good standing, you can run for any office that is open! If you are considering running make sure to get a flyer or information sheet on yourself to State A/Q Curt Watts so it can be distributed. Commander Bassett has already discussed the audit/investigation at Department level, I will echo his sentiment that you be honest if asked any questions from national. Now to recruiting. We have to get ahead of the game this year with the outstanding numbers we obtained last year. If you need help with recruiting make sure you contact your deputy chief of staff for your region. These people are ready to assist in anyway they can to help reach your membership goals. We have a very busy schedule coming up and hope our posts will assist with several. Please never hesitate to contact me if needed. With our pandemic on the rise again, let's be safe and continue working our programs and recruiting to make sure this great organization thrives!

Have you thought about supporting our very own Oklahoma VFW Foundation? There are several ways to do it: Amazon smile is a great way. Just go to <https://smile.amazon.com> once there then find Oklahoma Veterans of Foreign Wars Foundation. Post donations & personal donations are another great way to support our Foundation. Donations are tax deductible. Donating to the Oklahoma VFW Foundation is a way of donating back to Posts within our department and our programs. Donors may also designate where they want their donation dollars to go toward, for instance, Veterans Services, Honor Guards, etc. Donations can be sent to Oklahoma VFW Foundation, P.O. Box 1126, Oklahoma City, OK or by visiting the Foundation website at <https://okvfwfoundation.org> and the selecting the donate button.

Comrades,

I hope this month's General Orders finds you well because for some we know it will not. We have had to say goodbye to some great comrades. Comrades Jay Hansen and Matthew Sherwood passed and their families that we love and spend time with. There are more out there that we may not have known as well but were on our rosters. We need prayers for Comrades Jeremy Owen, Stacy Reddig, Vern Babcock, and our neighbors in Louisiana. These months have been very hard on us all, but please keep your heads and hearts up and reach out to someone if you need assistance, an ear, anything. We are all family.

With COVID-19 rearing its ugly head again with this new Delta variant please be vigilant when you are out and about in public even if you have received the COVID-19 vaccine. Keep in mind that this virus has not been around very long, nor has the research. Please continue to monitor these websites for the most current information.

Continue to keep your eyes and ears peeled for Student Veterans and their needs. Extend an Olive branch out to them or the school. Have a resource fair with the Veterans Affairs office at the school and get a bunch of veterans' organizations involved including VA VBA, VHA, VA Education, and other VSOs.

Thank you again for allowing me to serve you as your State Surgeon. This is truly an honor. I look forward to seeing you at Fall Festival at the Embassy Suites Hotel by Hilton.

Department Service Officer

Department Service Officer notes:

1. We have been looking for someone to work out of the Regional Office in Muskogee, OK. We have several individuals interested in that position. The Department is sitting a September 7, 2021, date as a cutout for any more individual to forward their resume.
2. Several individuals have expressed interest in the position or getting accreditation, but not in Muskogee. The Department will be developing a plan to present to the National Veterans Services Director in the future to allow for these individuals. If you are interested forward a current resume. Include where and how this would benefit the entire department. This training will cost around 15K for the first two years. National Veterans Service Policy & Procedure outline the guidelines that we as a department must follow.
3. This past month Bill, Robbie, and I visit the OKC VA Center to discuss the New Family Caregivers program. Under the VA MISSION ACT of 2018, The VA has expanded this program. First and foremost, remember that this program is offered from the medical side of the VA. https://www.caregiver.va.gov/pdfs/FactSheets/CSP_Eligibility_Criteria_Factsheet_1-4-21.pdf#

https://www.caregiver.va.gov/pdfs/FactSheets/ApplicationProcessFactsheet_1-13-21.pdf#

A major concern is the 3 Assessment area of the application process. These areas are: The veteran Assessment, Caregiver assessment and the Veteran Functional Assessment Instrument. The VA and a Centralized Eligibility and Appeals Team (CEAT) will conduct a review of the application and the three assessment which is internal to the VA. If the veteran receives a denial letter, they will have to appeal to the medical team. This is not the normal appeal process most veteran is familiar with.

4. Also this past month “The Department of Veterans Affairs (VA) is issuing this interim final rule to amend its adjudication regulations to establish presumptive service connection for three chronic respiratory health conditions, i.e., asthma, rhinitis, and sinusitis, to include rhinosinusitis, in association with presumed exposures to fine, particulate matter. These presumptions would apply to veterans with a qualifying period of service, i.e., who served on active military, naval, or air service in the Southwest Asia theater of operations during the Persian Gulf War (hereafter Gulf War), as well as in Afghanistan, Syria, Djibouti, or Uzbekistan, on or after September 19, 2001, during the Gulf War.” We need to apply for these conditions and if they were denied in a pass rating an appeal will need to be developed and forward to our office in Muskogee.

Spread the word so that as many people as possible will contact their senators and representatives to support these important pieces of legislation! VA Begins Processing New Presumptive Conditions for Toxic Exposures: VA has announced that starting Aug. 2, 2021, it began processing disability claims for asthma, rhinitis and sinusitis based on presumed particulate matter exposures during military service in Southwest Asia and other areas. The VFW has testified numerous times on VA infrastructure and the need for proper attention to aging VA facilities **DUMP Opioids Act** Becomes Law: President Biden has signed S. 957, *DUMP Opioids Act*, into law. It will make VA’s drop boxes accessible to the public with a community information campaign announcing designated times for disposal to improve medication safety in homes.

National Veterans Service National Veterans Service participated in a meeting with Veterans Benefits Administration to discuss the future of electronic notification of VA rating decisions. The VFW has been working closely with VA on standing up a new system through which Service Officers can more easily be notified of decisions for VFW claimants, providing feedback on the potential new system. National Veterans Service leaders met to discuss the upcoming NVS fall training conferences. Students for the accredited Service Officer training taking place in September are already starting to decide and NVS is planning to deliver its first in-person training since January 2020. Last week, NVS was notified that the Federal Circuit Court of Appeals threw out VA's regulations prohibiting veterans from preserving the effective dates of Supplemental Claims through the Intent to File process. The VFW has been vocal that the regulation restricting veterans from preserving effective dates for Supplemental Claims was harmful for veterans and contrary to what the VFW helped negotiate for the Appeals Modernization Act. The VFW is now following up with VA to learn what this change means for veterans affected by the prohibition since February 2019. VFW NVS Pre-Discharge Staff are once again hosting benefits briefings for transitioning service members at Joint Base Andrews and for transitioning Navy flag officers around the country. **Final Notes: In light of all the difficult political situations that have transpired over the last 30 days, please keep focused on the help veterans who now serve in Afghanistan will need upon their return. Let's go all out and do what we can to expedite their issues if possible..... And let's say a pray for those veterans that are no longer with us.... Robbie**

Hello Comrades,

VMS Programs are an integral part of the VFW's never-ending obligation to assist members of the active-duty military, national guard and reserves, as well as their families. VMS is broken down into 3 distinct stand-alone programs.

- Unmet Needs
- Military Assistance Program (MAP)
- VFW "Sport Clips Help a Hero Scholarship" program

This year the focus is on Unmet Needs.

During this year's State Fair, we have a great opportunity to raise a large amount of funds for this worthy program. **Jesse**

Raffle tickets are available now. The tickets are \$5.00 each or 5 for \$20 for both items. The first ticket drawn will have first choice of any of the items and each subsequent ticket will choose from the remaining items. You need not be present to win. As the

year progresses, we will have more items to raffle off. At **this year's** fair we will be allowed to **receive donations**, so it is a great opportunity for your Post to raise funds.

* Unmet Needs provides financial assistance to service members, veterans, and their families experiencing a financial hardship directly related to their military service.

* Assistance, not a hand out.

* The financial assistance is in the form of a one-time grant in an amount up to \$5,000. All grants are paid directly to the "creditor" companies (such as the electric company, mortgage company, landlord, etc.) and not to the individual.

* Funds can be used for rent, car repairs, medical expenses, infant-care items and many other necessities.

* Each case is reviewed individually and acceptance determined by a committee.

VFW OKLAHOMA WOMEN VETERANS CHAIR

Greetings to everyone! It has been an honor to be appointed as the VFW Oklahoma Women Veterans Chair by the State Commander, Jim Bassett. I am looking forward to meeting and reconnecting with all our Oklahoma VFW women Veterans as I am out and about at various Veteran events throughout the state.

If you were at the Eufaula School of Instruction, I was going around the room getting the information from the women Veterans that were present, so that I can compile an information list. If you would like to be added to the VFW Oklahoma Women Veteran list, please either email me or text me your information. (branch of service, VFW Post # and city, name, address, email, contact phone number) Coraldenise2@yahoo.com / 580-585-1341

Since we are located all over the state, I know it will be difficult for lots of gatherings, but I would love to drive to your local areas and have a smaller area lunch or gathering. I'd love to help with coordinating an area gathering, (as ideas) in the four area quadrants of Oklahoma, or in a location easy for 8 or 10 post areas to travel to within hour or so, without making it a long drive for anyone. If there are days/evenings persay that work better for those in your areas, please send me a text or an email so that we can hopefully gather once or twice before the end of the calendar year.

For our upcoming gatherings at either state level meetings or at smaller meetings in your local areas, I am working on various discussion topics for mentorship and leadership throughout the post, district and state level positions, community involvement, and service officer assistance, just to name a few. I will be talking with State Commander Bassett and the Convention Chairman to add a women Veterans gathering time during our Fall Fest, Mid- Winter, and any other VFW State and local gatherings throughout the year. Events such as these will give us women Veterans a chance to gather and share the bond of remembering what it was like during our military service as well as what it has been like since the transitions from military life to the civilian world. For some women Veterans, it might not have been the easiest road, and hopefully these gatherings will help strengthen us as Women Veterans in both our personal and professional lives. These are just some of the things that I am wanting to get started for our women Veterans during our scheduled state meetings, and other smaller gatherings out in the areas throughout the state.

If you have events in your area highlighting the work of our very busy women Veterans throughout our state, please send to me so that they can be added into my article each month for this newsletter.

For upcoming September events that I am aware of thus far: On the 11th of Sept, in Lawton just north of the water park, the KCA (Kiowa, Comanche, Apache) Veterans will be hosting their 2nd Annual Pow Wow; this year's theme is "Honoring our Women Warriors." See attached flyer below.

Back in July I was approached by ODVA about the HerStory Project. I took that opportunity to learn about the project and be able to have the above picture taken. The note below from the ODVA Women Veterans Program Administrator, Lisa Mussett, gives additional information about the project. For Women's Equality Week (August 23-27th) in the atrium at the Oklahoma City VA Medical Center, ten prominent Oklahoma Women Veteran's pictures were showcased on display for that week. I was honored to be one of those ten that were on display. All women Veterans are encouraged to participate in this HerStory project please contact me so that I can assist ODVA in getting enough participants in each area for the volunteer photographer to be in the various areas so that we can get as many pictures as possible and stories shared before November 11, 2021.

A message from Lisa Mussett, ODVA Women Veterans Program Administrator

We need your help! We want to photograph 300 women veterans between now and Nov 11, 2021! As you know, the state of Oklahoma has a State Veteran Registry. To accompany the Registry, ODVA is creating a Digital Legacy Library, highlighting the service of women veterans. Thus, we've created an **Oklahoma Women Veteran HerStory Project!** We've already taken photographs in Lawton, Norman, Ardmore and OKC. We're scheduling OUTDOOR photo shoots and need your help in sharing the events. The photographer is donating her time to this project, and following the session, she provides a FREE digital image to the woman veteran, via email

(Please note with 2021 passed SB 415-all veterans in receipt of sales tax exemption required to register by July 2023)

From the National Legislative Committee Member

Team Oklahoma,

It is an honor to be reappointed to the National Legislative Committee to serve not only you and the Department of Oklahoma, but to also work tirelessly with our Congress members to ensure that our military, veterans and their families are receiving what they rightfully deserve. I look forward to interacting with all of you throughout the next three years. We still have a lot of issues we must and will fight for. As I have said before, my voice alone is not enough to change minds. It requires all of your voices to be heard in the halls of Congress to cause real change. So, I ask for your help.

I just received my official appointment from National Monday so, I do not have a lot put together to give to you this month. However, National and State Commander Bassett want us to make a real push for Action Corps signups. If you are not already on the Action Corps mailing list, please sign up. There are several ways you can.

Let's get out there and sign all of our members up so they can also have their own voice heard when National issues Action Alerts. I look forward to a great year working with and for you.
